

ENDEAVOUR
COLLEGE OF NATURAL HEALTH

Natural Fertility FREE Information Seminar

8 July 2009 6.30 – 8.30pm

Endeavour College of Natural Health proudly supports
Natural Medicine Awareness Week 6 – 12 July 2009

- Are you considering becoming a parent?
- When planning a pregnancy, are you aware of the importance of both partners undertaking preconception and prenatal care?
- Come and listen to a panel of experts explain how natural therapies can enhance your fertility and assist you to have an easier pregnancy and healthier baby.
- Participants will have opportunity to ask the panel questions and receive free clinic vouchers.
