

## Santa Sacks – An initiative of the Yogananda Foundation

Ho, ho, ho...AAMT will be placing an order for Santa Sacks painted by disabled Thai children and adults to support the Yogananda Foundation.

The bags serve two purposes; they enable the disabled to receive an income, and being made of high quality natural cloth they reduce the use of plastic bags that impact the environment.

AAMT supports the work of the Yogananda Foundation and proceeds from the sales will be sent to the Foundation to allow it to continue its mission
